

3. On the face of the card is reflected the fact that Mr. Don Brooks, Counselor in the Industrial Division of the Texas Employment Commission, interviewed Oswald previous to October 9, 10 and 11, 1962.

4. As it appears from the entries in my hand on the reverse side of Cunningham Exhibit No. 4, I recorded the fact that I obtained Oswald's "General Aptitude Test" battery results from the Fort Worth office of the Texas Employment Commission. I concluded after examining the GATB obtained from the Fort Worth office and after interviewing Oswald that because he was in great financial need for immediate employment, that I should classify him for clerical work and I noted on the face of the card the proper clerical code, being 1-X 4.9. I also recorded the fact that on October 11, 1962, Oswald was referred to Jaggars-Chiles-Stovall Printing Company as a photo-print trainee and that Oswald was enthusiastic about the possibility of his being employed. I also recorded the fact that Oswald reported on October 15, 1962, that he had obtained the Jaggars-Chiles-Stovall position and that he was pleased.

5. In my counseling with Oswald and as appears from my entry under the heading "Other Plans" Oswald told me that he hoped to develop through a work-study program at Dallas College or Arlington State qualification for responsible junior executive employment but that this must be delayed because of his and his family's immediate financial needs and responsibilities.

6. The notation "D. Brooks" appearing on the face of Cunningham Exhibit No. 4 refers to Don Brooks, who is identified above; my signature appears to the right of the notation of Mr. Brooks' name. I wrote "D. Brooks" name on the face of Cunningham Exhibit No. 4.

7. Cunningham Exhibits 1-A, 2-A and 3-A are, respectively, originals of Cunningham Exhibits 1, 2 and 3.

8. The green-ink entry on the facing side of Cunningham Exhibit No. 1-A, "10-30-62", means that on that date it was confirmed that Oswald was employed. The succeeding entry being "4-8-63" records the fact that Oswald came to the Commission on that date, seeking employment; he having lost his position with Jaggars-Chiles-Stovall. The succeeding entry "4-12-63" records the fact that Oswald visited the Commission offices in further pursuit of employment. The succeeding entry, which is in green crayon, "5-8-63" when considered with the entry dated "5-3-63" in the referral section of the exhibit, records the fact that on that day Oswald was mailed a call-in card for possible referral to Texas Power and Light Company for a position as meter reader but failed to respond. The next entry on the face of Cunningham Exhibit No. 1-A which is "R1-10-3-63" records the fact that his case was reactivated as of that date and the final entry "10-17-63" in green crayon records the closing of his case due to his having obtained employment. This entry is related to the final entry in the referral section of Cunningham Exhibit No. 1-A which recites under the heading "Remarks" that at 10:30 a.m. on October 16, 1963, it was ascertained by Robert L. Adams that Oswald had obtained employment.

Signed this 11th day of June 1964.

AFFIDAVIT OF THEODORE FRANK GANGL

The following affidavit was executed by Theodore Frank Gangl on June 16, 1964.

PRESIDENT'S COMMISSION
ON THE ASSASSINATION OF
PRESIDENT JOHN F. KENNEDY

AFFIDAVIT

STATE OF TEXAS,
County of Dallas, ss:

I, Theodore Frank Gangl, 7903 Mohawk Drive, Dallas, Tex., being duly sworn, depose and say:

1. That I am Plant Superintendent for the Padgett Printing Corporation, 1313 North Industrial, Dallas, Texas.

2. On October 4, 1963, I interviewed Lee Harvey Oswald, who had applied for employment in response to an advertisement the Padgett Printing Corporation placed in the local newspaper. We were seeking a typesetter in the composing room.

3. Oswald was well dressed and neat. He made a favorable impression on the foreman of the department to whom I introduced Oswald. Since Oswald had worked in a trade plant I was interested in him as a possible employee.

4. Oswald filled out the application. Padgett Printing Corporation Exhibit No. 1* is a photostatic copy of the original application which was filled in during the course of my interview with Oswald. The original application was prepared and maintained among the records of Padgett Printing Corporation in the usual and regular course of its business. The exhibit is a copy of the application as it was when it was completed by me on or about October 4, 1963. It is entirely in Oswald's handwriting except for my initials in the blank, "Interviewed by", the date, the word "over", and the handwriting on the reverse side, all of which are in my handwriting.

5. Oswald said he could be reached at the Irving, Texas, phone number he listed on the application, and he suggested particular periods of the week he would most likely be available to respond to a telephone call.

6. Shortly after the interview, I called Mr. Stovall at Jagers-Chiles-Stovall, where Oswald had previously worked. Mr. Stovall was not there, so I spoke with somebody who had worked with Oswald there. He implied that Oswald's fellow employees did not like him because he was propagandizing and had been seen reading a foreign newspaper.

7. I later talked with Mr. Robert Stovall, who is a friend of mine, and he said Oswald could not get along there and he could not adapt himself to the type of work assigned to him.

8. As a result of this conversation I wrote the comments that appear on the back of the application and decided that we would not hire him.

9. I called Oswald at the Irving, Texas, telephone number he had written on the application and told him that we had hired somebody with better qualifications.

Signed this 16th day of June 1964.

THEODORE F. GANGL.
