Mr. J. S. Vandiver, principal
Chautauain - Hunt Academy

Dear Mr. Vandiver -

Thank you for your kind
letter dated March 6th.

The arrangements you have made
for John and Robert are very satis-
factory to me. I am glad to know
that they have made such nice
friends. We may have to leave town
on another trip just about that
time and that is why I couldn't
have them here with us. I hope
I can have them home for the
Easter holidays.

It is nice to know that John
has made improvement in his
school work. All of his letters showed
that he was trying hard and
I am sure that with the
encouragement he receives he will
continue to do his best. He is a

child that likes to be made over
and will cooperate in any way if
he knows that his efforts are
rewarded.

Robert has fallen down in his
grades. I will write him about
it.

I am enclosing a check for the
boys but have no idea as to
what they will need on their
trip. I will leave that to your
judgement and you can charge
any difference to my account.

Thanking you again for your nice
letter and the consideration you
have shown

Sincerely

Marguerite Ekstrand
