Dear Mr Vandier -

Enclosed is a check for room reservation for John. I can't see my way clear at the present time to send Robert also. However, if they take a turn for the better I will most certainly send him to C. N. X. Mr Ekdahl and myself haven't come to any agreement as yet and he is not sending me enough to live on. Therefore, what I will soon on Robert will certainly help me to meet my expenses. Of course, I intend to see him for proper support but I thought I would give him a chance to do what is right first. I will bring John on Thursday Aug 27th and get Robert's things. If convenient for you and Mrs Vandier I would appreciate it if you would accommodate me for that
