It is noted during prior interview on November 30, 1963, BEERS advised that he was not required to show identification to get into the basement of the Police and Courts Building; however, he was carrying his camera and is personally acquainted with practically all police officials in Dallas, having been associated with Dallas newspapers for at least the last 18 years, and he is sure the officers who saw him in the basement knew who he was and were acquainted with him. He also observed the officers searching the cars parked in the parking area. He saw uniformed officers set up as guards in the parking area and observed uniformed guards at the Main Street entrance to the drive-through ramp and in the vicinity of the armored car which was at the Commerce Street exit to the drive-through ramp.
