

OPEN LETTER TO THE PEOPLE OF NEW ORLEANS

The "Fair Play for Cuba Committee" has been distributing propoganda on the streets of New Orleans urging Americans to pressure Congress to keep "Hands Off" the Soviet Satellite in Cuba. We, the United Cuban refugees of New Orleans, know what a great danger the Communist colony in Cuba is to every man, woman and child in America. We have seen it happen. It happened to us.

Did you know:

(1) That Lee H. Oswald, the local secretary of the FPCC -- has admitted he is a "Marxist" (WDSU Radio "Conversation Carte Blanche", 6:05 P.M., August 21, 1963)

--has admitted he spent 3 years in Russia (same program)

not denied
 --has admitted that he is the same person who, it was reported, had turned in his passport to obtain Soviet citizenship in exchange for his U.S. citizenship. (See Washington Evening Star, October 31, 1959, page 1; Washington Post-Times Herald, Nov. 16, 1959).

(2) That a witness testified that the Cuban U.N. delegation, through its representative Raulito Roa, furnished \$3,500.00 for the first FPCC newspaper ad? (See Hearings, Senate Judiciary Committee on FPCC, April 29, May 5, Oct. 10, 1960 and Jan. 10, 1961).

(3) That a picture showing the National Secretary of the FPCC organization, Aileen Grant, serenading Premier of Communist China, Chou En Lai, was introduced in evidence at the same Senate hearings?

(4) That the original FPCC Honorary National Chairman, Waldo Frank, wrote an article "How I Came to Communism: Symposium" (New Masses, Sept. 1932, pp 6 & 7).

What can you do about the danger that FPCC presents to you and your family?

(1) Write your Congressmen and enclose this leaflet, expressing your concern over the activities of the FPCC pressure group.

(2) Contact the leaders of local Civic organizations, especially those to which you belong, urging them to issue public resolutions against the FPCC and its local activities, and to reprint this open letter or the Resolution, or both in their Club Bulletin.

(3) Support a positive policy for the liberation of all Captive Nations.

We Cubans are united on this matter because it has happened to us once. We can see it beginning to happen here. Please defend the greatest bastion of Freedom the world has ever known -- America. Act now.
