OPEN LETTER TO THE PEOPLE OF NEW ORLEANS

The "Fair Play for Cuba Committee" has been distributing propaganda on the streets of New Orleans urging Americans to pressure Congress to keep "Hands Off" the Soviet Satellite in Cuba. We, the United Cuban Refugees of New Orleans, know what a great danger the Communist colony in Cuba is to every man, woman and child in America. We have seen it happen. It happened to us.

Did you know:

1. That Lee H. Oswald, the local secretary of the FPCC -- has admitted he is a "Marxist" (WDSU Radio "Conversation Corte Blanche", 6:05 P.M., August 21, 1963)

2. That he admitted he spent 3 years in Russia (same program)

3. That he admitted that he is the same person who, it was reported, had turned in his passport to obtain Soviet citizenship in exchange for his U.S. citizenship. (See Washington Evening Star, October 31, 1959, page 1; Washington Post-Times Herald, Nov. 16, 1959).

What can you do about the danger that FPCC presents to you and your family?

(1) Write your Congressmen and enclose this leaflet, expressing your concern over the activities of the FPCC pressure group.

(2) Contact the leaders of local Civic organizations, especially those to which you belong, urging them to issue public resolutions against the FPCC and its local activities, and to reprint this open letter or the Resolution, or both in their Club Bulletin.

(3) Support a positive policy for the liberation of all Captive Nations.

We Cubans are united on this matter because it has happened to us once. We can see it beginning to happen here. Please defend the greatest bastion of Freedom the world has ever known -- America.

Act now.

Sincerely,

UNITED CUBAN REFUGEES
