Exhibit 3

Virginia Ruth Davis being first duly sworn according to law, deposes and says:

I hereby wish to make the following statement of my own free will and accord to John J. Giuffre, who has identified himself to me as a Special Agent of the United States Secret Service.

On November 22, 1963, at approximately 1:30pm, I was in the home of my sister-in-law Barbara Davis at 400 East 10th Street, Dallas, Texas. I also live at this address, but in another apartment. Barbara and I were lying on the bed with her two children when we heard a loud bang. Immediately following the first report, there was another loud bang. We then jumped up and ran to the front door.

When we got to the door and went out on the porch, I saw a man who I later that day identified at the Dallas Police Department. This man was coming across the yard and was almost to the walk which leads directly to the porch and is in a direct line with the front door. The man had a revolver in his left hand and was shaking the shells out of it into his right hand.

As the man passed directly in front of us, he looked up for a second or so and then continued on across the yard toward Patton Street in a normal walk. At about this time, a woman directly across the intersection from our house yelled out "he's dead, he's dead, he shot him". The man glanced up at the woman and kept on walking. He walked around the corner of the house that faces Patton Street and out of sight.

Barbara Davis and I then returned to the house where she called the police. After she called the police, we went back out on the porch but by then the man we had seen with the gun was no longer in sight.

When the police arrived we searched the area on the side of the house that faces Patton Street, and Barbara found a gun shell that had been fired. After the police left we again searched the area and I found a gun shell that had been fired. I later turned this shell over to the Dallas Police Department.

I have been given an opportunity to make additions and corrections on this statement, and it is true to the best of my knowledge and belief.
