Dear Mr. CONALD:

The letter of Congressman, Marine Air Reserve Training, 20/0 Inner
Secty, dated 20/0 April 19/0, to your office quoted by him in respect for
voting election. An investigation alsoextends this matter has been
completed by military authorities and the case will be placed before a
board of officers which will render a report your son to be recorded in, or
accepted from the U. S. Marine Corps Reserve.

Your son, of course, has the right to appear in person or to present
any facts or evidence which would assist the board in reaching its de-
cision. The letter of 20/0 April 19/0, informed him of these rights. In
view of the fact that he has not informed this headquarters of his cur-
rent address and that he has left the United States without permission,
it is considered that a letter sent to the last address on file at this
headquarters is sufficient notification. A letter will be sent by
certified mail informing your son of the convening date of the board.

Should you be aware of any facts or information which would assist
the board in evaluating your son's case, it is suggested that you for-
ward them to this headquarters.

It is regretted that action of this nature must be taken in your
son's case.

Mr. H. L. BLOCKER

Folsom Exhibit No. 1—Continued (p. 31)
From: Ying Low Specialist
To: Chief of Staff
Subject: Summary Court-Martial, case of Lee H. Cavald, Private, USMCR

1. Subject court-martial has been reviewed pursuant to the provisions of Article 65a, Uniform Code of Military Justice.

2. In reviewing said case no errors or irregularities were noted, other than the failure of the record to reflect legally admissible evidence of the one prior conviction considered by the court. The accused pleaded not guilty to all charges and specifications. Since he was found guilty of only one charge and specification the summary of the evidence will be limited to the approved findings only.

3. Technical Sergeant Rodriguez and two companions were seated in a bar. The accused approached their table. He spilled part of a drink on the Technical Sergeant. Whether this was accidentally or not was an issue in the case. Apparently the court decided that it was accidental. Then the drink was spilled on the Technical Sergeant's shoes and cleaned away. This resulted in the accused inviting the sergeant outside. The Sergeant testified that the actual words alleged were used. This was corroborated by another witness. The accused testified in his own behalf. The substance of his testimony was that he felt that the Sergeant had it in for him. He had asked to be transferred from under his cognizance. This had been refused. He testified that he went over to see the sergeant for the purpose of discussing, the situation with him; that the drink was spilled accidentally; and that he was somewhat intoxicated. He remembered inviting the accused outside but did not remember calling him yellow or anything like that.

4. The findings are correct in law and fact and the evidence is sufficient to establish guilt beyond reasonable doubt. The victim's testimony was corroborated by disinterested witnesses; the accused's testimony admitted certain material aspects of it; and did not deny uttering the words charged. As a matter of fact his competency as a witness is seriously impaired by his own admission that he was drunk.

FOLSOM EXHIBIT No. 1—Continued (p. 32)

5. Even without evidence of the one prior conviction the sentence is legal and appropriate for the offense. This was determined by reference to the table of maximum punishments contained in USC 1951, and by reference to sentences imposed in like cases. Its approval is recommended. An action reflecting my recommendation has been prepared for your consideration.

Very respectfully,

W. R. Smith, Jr.
Commander, U. S. Navy

FOLSOM EXHIBIT No. 1—Continued (p. 33)
In the foregoing case of Leo R. Cawd, private first class, U.S. Marine Corps, the sentence as approved, ordered executed and suspended by the convening authority is approved.

By copy here the convening authority is advised that the proceedings, findings, and the sentence of the case are final and conclusive in the sense of Article 64 and 76 of the Uniform Code of Military Justice. Accordingly, the convening authority is directed to take the administrative action required by 1955 ND MM, Section 0118, with respect to the service record book of the accused.

This record has been reviewed in accordance with the provisions of Article 65c, Uniform Code of Military Justice. The record of trial will be disposed of in accordance with the provisions of 1955 ND MM, Section 0120.

1. Receipt of above mentioned enclosures is hereby acknowledged.
Dear Mr. Oswald:

The review of your discharge has been completed in accordance with the regulations governing the procedures of this Board. Careful consideration was given to the evidence presented in your behalf as well as that contained in your official records. The Secretary of the Navy has reviewed the proceedings of the Board.

It is the decision that no change, correction or modification is warranted in your discharge.

Sincerely yours,

D. W. Bowman
Captain, USN
President
Navy Discharge Review Board

Folsom Exhibit No. 1—Continued (p. 39)
The service record of petitioner shows that he was discharged as unfit for good and sufficient reasons. This was based on reliable information which indicated that he had renounced his U.S. citizenship with the intentions of becoming a permanent citizen of the Union of Soviet Socialist Republics. Further, that petitioner brought discredit to the Marine Corps through adverse newspaper publicity, which was generated by the foregoing action, and had thereby, in the opinion of his commanding officer, proved himself unfit for retention in the naval service.

After careful consideration of the facts presented in all available records of the Department of the Navy and of the claims and evidence submitted, the Board finds that the discharge was proper and equitable under standards of law and discipline applicable at the time, or since made applicable, and that the discharge accurately reflects petitioner's conduct and character during the period of service which was terminated by the discharge. Not finding sufficient evidence to support a contrary conclusion, the Board concludes that no change, correction or modification should be made in the type or character of the discharge.

**DECISION: NO CHANGE**

It is the decision of the Board that the character of the discharge originally issued is proper and that no change, correction or modification be made in the Undesirable Discharge.

Mr. H. Oswald
Kalinina Street, 4-24
Minsk, U.S.S.R.

Dear Mr. Oswald:

Your letter of 30 January 1962 addressed to the Secretary of the Navy concerning your separation from the Marine Corps Reserve on 13 September 1960 has been referred to me for reply.

A review of your file at this Headquarters reflects that a board of officers was convened by the Commander, Marine Air Reserve Training, Naval Air Station, Glenview, Illinois, for the purpose of determining your fitness to remain a member of the Marine Corps Reserve. Referral of your case to this board was premised on reliable information which indicated that you had renounced your United States citizenship with the intentions of becoming a permanent citizen of the Union of Soviet Socialist Republics. The Commander, Marine Air Reserve Training, made reasonable effort to inform you of your right to appear before the board in person, representation by counsel of your choice and to present any evidence or statements you believed pertinent to your case.

In the absence of reply from you concerning your rights as noted above, the board, nevertheless, convened and met on 8 August 1960 at which time a recommendation was submitted that you be separated from the Marine Corps Reserve as undesirable. This recommendation was concurred in by the Commander, Marine Air Reserve Training, and approved by this Headquarters. Your discharge as undesirable was directed by this Headquarters on 17 August 1960 and effected 13 September 1960.

Your discharge certificate as undesirable is attached. Earlier delivery of your certificate could not be accomplished since your whereabouts previously was unknown.

Sincerely,

Dear Mr. Oswald:

Your letter of January 30 has just been called to my attention.

As I am no longer connected with the Navy, I have referred your letter to the office of the Secretary of the Navy in Washington, D.C.

Sincerely,

SPECIAL AGENT
FEDERAL BUREAU OF INVESTIGATION

Folsom Exhibit No. 1—Continued (p. 64)
Dear Sir,

I wish to call your attention to a case about which you may have personal knowledge since you are a resident of Ft. Worth as I am.

In November 1959, an event was well publicized in the Ft. Worth newspaper concerning a person who had gone to the Soviet Union to reside for a short time. (much in the same way E. Hemingway resided in Paris.)

This person in answer to questions put to him by reporters in Moscow criticized certain facets of American life. The story was blown up into another tempest-taunting with the result that the Navy Department gave this person a dishonourable discharge although he had served in honourable discharge after three years service on Sept. 11, 1957 at El Toro, marine corps base in California.

These are the basic facts of my case.

I have and always had the full sanction of the U.S. Embassy, Moscow U.S.S.R. and hence the U.S. government. In so much as I am returning to the U.S.A. this year with the aid of the U.S. Embassy (living with me is my family since I married in the U.S.) I shall employ all means to right this gross mistake or injustice to a born-again U.S. citizen and subject now. The U.S. government has no charges or complaints against me. I ask you to look into this case and take the necessary steps to repair the damage done to me and my family. For information I would direct you to consult the American Embassy, Chisovski St. 19/21, Moscow, U.S.S.R.

Thank You

Folsom Exhibit No. 1—Continued (p. 77)
From: Senior Member, 3d Marine Aircraft Wing Hardship or Dependency Discharge Board  
To: Commanding General, 3d Marine Aircraft Wing  

Subject: Discharge by reason of dependency; request for case of Private First Class Lee H. Oswald 1653230/0741 USMC  

1. Guided by the provisions of reference (a) and in compliance with Third Endorsement hereeto, the Hardship or Dependency Discharge Board met at 1530, 27 August 1959 to consider the case of Private First Class Lee H. Oswald 1653230/0741 USMC. The Marine had submitted an official request for a dependency discharge in accordance with reference (a). The following members were present:

   Lieutenant Colonel Bolish J. Kozaak 07108 USMC (NHG-3)  
   Major George E. McCLane 016430/7335 USMC (NHG-36)  
   Major Eugene T. Card 035129/7304 USMC (NHG-3)  

2. Upon examination of the basic request, supporting enclosures and Service record, Private First Class Lee H. Oswald was interviewed by the Board. The following facts were then considered:

   a. Private First Class Lee H. Oswald, not married, on his initial three (3) year enlistment in the Marine Corps is obligated to serve on active duty until 7 December 1959.

   b. The Marine submitted his request for a dependency discharge in order that he may provide physical and financial assistance to his invalid mother residing in Fort Worth, Texas.

   c. The home situation of Private First Class Oswald has been aggravated subsequent to his enlistment date through incapacitation of his mother as a result of an industrial accident. The mother is no longer gainfully employed due to her physical condition and has no source of income. The presence of her son, Private First Class Oswald, is required for physical and financial assistance.

   d. One son, married and residing in Fort Worth is unable to provide either financial or physical assistance to the Marine's mother due to his marital responsibilities and the inability of the two families to maintain a common home. Another son, married, with the U.S. Air Force on active duty in Japan, cannot furnish financial support.

Folsom Exhibit No. 1—Continued (p. 79)
e. The Marine has no firm offer of employment he has indicated that his former employer will entertain offering employment with a suitable salary to provide the necessary support of his mother.

3. In evaluation of all facts available, it is the opinion of the Board that Private First Class OSWALD meets the requirements of paragraph 10273 MAR for release from active duty.

4. The Board recommends that Private First Class Lee H. OSWALD be released from active duty with the Marine Corps for reasons of dependency.

To Whom It May Concern:

This is to certify that the undersigned is attorney for Mrs. Marguerite C. Oswald, representing her in a claim for Workman's Compensation Benefits, growing out of her injuries sustained December 5, 1958, while she was an employee of the King Candy Company working at the Fair Ridgea Department Store.

This is a Workman's Compensation Claim, and suit has not yet been filed because the claim is pending before the Industrial Accident Board of the state of Texas, and the matter was supposed to have been passed on by the Industrial Accident Board on July 14, 1959, but no notice has been received as of this date as to whether or not any award was entered at that time.

It is possible and likely that suit will have to be filed when the award of the Industrial Accident Board is known, and it is not expected that the case would be set for trial earlier than December, 1959, and probably not later than March or April of 1960.

I, Mrs. Marguerite Childs, of 3240 Sondra Drive, Fort Worth, Texas, do on this 24th day of July 1959, make the following statement concerning the need for Pfc. Leo H. Oswald, 1653230, MCAD - 1-MAG 11, F.P.O. San Francisco, California, to be given a discharge.

I am a friend of the serviceman's mother. I have known the serviceman's mother for four months while we were neighbors. I know Mrs. Oswald is in poor health and not able to work. Her condition is due to an accident which occurred in December 1958. I know she has been the care of doctors since then. They tell her there is no cure for her. Her illness is such that she cannot hold a job.

I know Mrs. Oswald is in dire need of money. She has no income and for a time, I as well as other neighbors bought her groceries for her.

I feel that Mrs. Oswald needs her son here with her to take care and provide for her.

RE: Pfc. Lee H. Oswald
1653230
MCAS -1- MAG -11
F.P.O. San Francisco, California

I, Mrs. John B. Knight, of 6470 Greenway, Fort Worth, Texas, do on this 24th day of July 1959, make the following statement concerning the need for Pfc. Lee H. Oswald, 1653230, MCAS -1- MAG -11, F.P.O. San Francisco, California, to be given a discharge.

I am a friend of the serviceman's mother. I have known her for eight months. Our acquaintanceship and friendship started over the sale of a dog which we had and the Oswalds bought.

Mrs. Oswald has not been in good health since her accident in December 1958. She is very nervous and has a great deal of trouble in breathing. Her nose is swollen much of the time. I know Mrs. Oswald has been under the care of doctors for many months. Because of her condition she is not able to return to her work. She has tried to hold down other jobs but because she is not well she is forced to give up her work.

It is hard for Mrs. Oswald to be alone and to make all the many decisions which come up. I know how hard it is for a woman alone since I had to make all the decisions for my family for 4 years.

I know Mrs. Oswald has no income and since she can't work she needs her son here to provide for her. I believe that Pfc. Lee Oswald should be given a discharge so that he may come home and provide for his mother.

STATE OF TEXAS

COUNTY OF MASON

I, Muriel Margaretta Oswald, of 313 West 7th, Fort Worth, do on this 20th day of July, 1927, make the following statement concerning the need for my son, Pfc.

Lee W. Oswald, 1653230, R.C.A., 1-723-11 P.O., San Francisco, California to be given a discharge.

I need my son to provide for me since I am no longer able to work. In December 1926 I was taken ill. My face and hands were swelling. My vision was impaired. I was examined by two doctors designated by Liberty Mutual Insurance Company, who insure the King

Candy Company. These doctors told me "there was nothing wrong" and "to go back to work." I did go back to work at different times, but was unable to complete a

day's work due to nasal drainage and great facial discomfort. A fifth doctor who examined me, Dr. J. R. Harris, an ear, eye, nose and throat specialist, advised me to "apply heat to the swollen area around the eye" and at that time one-half cup of

ointment drained out. "Everyone got scared" and realized that, although there was no

fracture of the nose, I've not been well after all. So five weeks after the accident I began receiving $20.00 a week disability payment. When my payments were dis-continued, the insurance doctors being of the opinion that I was employable, I hired

a lawyer, Mr. Jacks, to bring suit against King Candy Company. It is uncertain when

my case will be up before the State Board of Insurance Commissioners.

In the meantime since I had no prospects of any income I sold all my furnishings for less than $300.00 and took employment as a housekeeper at $21.00 a week plus room

and board. I stayed there only two weeks because my employer drank too much. I hope

to find baby-sitting jobs but I cannot apply for an eight-hour-a-day job because my

stomach is completely congested at night and I must apply steam to drain them, losing a

good deal of sleep. Also I must constantly blow my nose.

My budget is as follows:

I have two other sons: Robert is married and is not able to help me since he has his own responsibilities.

My other son is John E. Po. He is in the Air Force and is presently stationed in Japan. He has a wife and three small children to support and is in no position to help me.

I have no money to use for living expenses and I must have my son at home now to provide for me.

Re: FFG Lee H. OSWALD, 1653230, USMC

Attn: R. A. Cooley
Major, U.S. Marine Corps

Dear Sir:

I. At the present time, my monthly gross income from all sources is none from wages, contributions, pensions, social security, and compensations. I have no income.

In the last 12 months, August to December 1958, I received $200 a month from wages, contributions - none, pensions - none, social security and compensations - none. Then January thru May 1959, I have received the Workers Disability Compensation of $29 a week, which totaled $543.

From May until the present time, I have had no income nor reserve amount to draw upon. I have had to sell my furniture in order to pay my rent and food bills. It sold for less than $200 and during this time, my cocker spaniel dog had puppies which I sold for $55. This has helped me, but now my funds are exhausted and I have no income and am unemployable since I am under the care of two doctors and must go every day.

II. I am a widow and live alone.

III. I have not worked since December 5, 1958, which was the date of my accident. My gross monthly pay was $200 a month and the name and address of my last employer - King Candy Company, 813 East 9th, Fort Worth, Texas.

FOLSOM EXHIBIT No. 1—Continued (p. 94)
I received $116 a month from Disability Compensation from the months January thru May 26, 1959. I have no spouse.

IV. Doctor's statement attached.

V. I have not received the Workers Disability Compensation since May 26, 1959.

Re: PFC Lee H. OSWALD

My dear Mrs. Oswald:

The above-named Marine has applied for an allowance in your behalf and pending a determination as to entitlement, he has registered the required voluntary allotment to you.

Under current regulations, parents are deemed eligible dependents for the purpose of an allowance if the Marine has provided their principal support and if their income from sources other than the Marine does not constitute their principal support. Dependency is determined on the basis of a Parent's Dependency Affidavit completed by the parent; therefore, in order to determine your dependency, it is requested that you complete the enclosed form of affidavit in detail, acknowledge it in the presence of a notary public or other official authorized to administer oaths and return it to the Commandant of the Marine Corps, Code DNB, Washington 25, D. C.

If you are not dependent on the Marine, please write that fact on the form, sign and return it to the address given above.

If it is determined that you are dependent on the Marine for your principal support, the allotment registered to you will be increased to include the allowance contributed by the government.

An instruction sheet is enclosed for your guidance in completing the form.

If a reply is not received within thirty (30) days, it will be necessary to disapprove the application filed in your behalf.

Sincerely yours,

5. It is considered that the subject case is distinguishable from the case cited in the cited precedence to the basic report. In the cited case, it is noted that the injuries sustained were the direct result of the handling of the weapon, whereas in the instant case was the result of an accidental fall of the weapon to the deck, resulting in its discharge.

6. Accordingly, the Judge Advocate General holds that the injuries to Private Lee R. Arnold, U. S. Marine Corps, on 27 October 1957, were incurred in the line of duty and were not the result of his own misconduct.

7. It is noted that 1935 NS WM, and 5257 prescribes that the actions of the ordering and reviewing authorities on investigatory reports shall be placed therein by endorsement, this action is found the ninth endorsement on subject record.

On 27 October 1957, as Private Oswald opened his locker to
remove some gear, the above mentioned weapon fell to the floor
and discharged, wounding Private Oswald in the left elbow.
The investigating officer was of the opinion that the injury
was incurred in the line of duty and was not the result of
mishandling. The third, seventh, and eighth endorsements
did not approve the basic finding of no misconduct.

3. Misconduct is wrongful conduct. Simple or ordinary
negligence, however, does not constitute misconduct. The
fact that an act violates a law, regulation or order does not,
of itself constitute misconduct. In order to support a
determination of misconduct, it must be found that the injury
was intentionally incurred, or resulted from negligence which
was so gross as to demonstrate a reckless disregard of the
consequences. 1955 US M21, sec. 8405b.

4. It is recognized that firearms are inherently dangerous
and their use demands the highest degree of care. In the
instant case, the record reveals that Oswald displayed a
certain degree of carelessness or negligence by his act of
stowing a loaded pistol in his locker where there was
the possibility that it might be accidentally moved. Such
carelessness on his part, however, is not deemed to be so
gross as to indicate an utter or reckless disregard of the
consequences.
5. It is considered that the subject case is distinguishable from the case cited in the eighth endorsement to the basic report. In the cited case, it is noted that the injuries sustained were the direct result of the reckless use or handling of the weapon, whereas in the instant case the result of an accidental fall of the weapon to the deck, resulting in its discharge.

Accordingly, the Judge Advocate General holds that the injuries to Private Lee H. Oswald, U. S. Marine Corps, on 27 October 1957, were incurred in the line of duty and were not the result of his own misconduct.

As such as 1955 JOS 521, Sec. 0707 prescribes that the minutes of the ordering and reviewing authorities on investigatory reports shall be placed therein by endorsement, this action is deemed the ninth endorsement on subject record.

6. Subject to the foregoing, the proceedings in the attached case are legal.
