Hope you like my fancy paper but I guess a letter is welcome always. It is a nice spring day and I am full of pep. Got the house - good cleaning Lee is listening to the base-ball game on T.V. and soon the programs I like will come on and then I will sit until bed-time. Robert said to tell you thank for the birth day. He won't take time to write but Gen. is almost his only free time to go out as he works such late hours. Gene will be glad to receive something from you as it is quite a struggle and this month Lee's insurance is due.

Try and help as much as possible. My struggle to keep what we have will also help you boys. Just owe \$979.62 on Benbrook house. I had very good thoughts. Be good and write often

P.S. Three more Rose car payments Mother what a year!

will be paid for.  
It has certainly

Hope you are  
doing well  
with your studies  
Study hard and  
make something  
of yourself. Hope  
to send Robert  
back to school  
in Sept. Write me  
about Margie. Does she

to school? I received two  
very sweet letters from
