Dear Sir -

Commission Exhibit # 21

John Pic

Fill out the enclosed
draft and send back when
to is not bad and you will
be five dollars richer!
Well, as yet I have no
grounds for the house but
it is one of those things that
you never know. I plan to
drive and take my time
doing so. I haven't had a
vacation since (4 yrs) thought
I would stop over in each
big city for at least a day.
When the house is sold
it will be about two weeks
before I can clear my money
and will be about a week
getting to N. Y. so the

August. I am not going to
take a bad and might
even rent with a lease
and then sell the car
inside I don't see some
betta and have a little
reserve. I don't want
to have to do that.
Important - Robert left
for morning for San Diego
the joint the movies and
cigar for four spots. I
am glad he decided to
salute. He realized his
mistake about getting married
and then probably having
to go just the same.
He but will be a honey
