Received your letter yesterday and I figured I answer it now, so as you will get it before you leave. I wrote you a letter in about 2 weeks ago, but I don't know where it is and you will get it.

Well, I went on 30 days M.P. Duty the 15 of this month, but I'm not getting too much sleep. I have got to guard a Bowling Party, which the latter is not too bad, I just go driving around the back villages for 8 hours. About the dirties, if a patrol is the "whole man", we have to go to 8 hrs, maybe a less and pick up all the whores & drive them in for V.D. shot. I don't know how many women are down here. But as far as these women are concerned, to hell with them. The Japanese women are don't have that high percentage of V.D.

Now, it's not hard for me to decide whether to stay in or out. I have from this date, 30 days to go and I'm going to leave this morning. I'm going to transfer my 5000 Reserve Duty to the Air Force. I'll get a hell of a lot better deal if I had to go back in the service.

I hope you get your wish for a girl. I know, like we say over here that no one would be a nice family.

Em there is a just one of me a dolly
