Mr. Paul M. Raigorodsky  
522 First National Bank Building,  
Dallas, Texas, U.S.A.

Dear Paul:

It's delightfully pleasant and quiet here. Such a relief after New York, Miami and even Dallas. I am working on my maps and Jeanne swims and looks for a suitable house. The weather is naturally delightful and the scenery lovely.

We are staying at the Hotel Sans Souci, which is a jewel - marvelously comfortable and the food here is just fabulous.

Do come over to visit us either now or very soon when we are installed in our new house.

As you know from the papers, the relationship between Haiti and our country is fine again.

With best personal regards to all our mutual friends,

Sincerely,

*Jeanne & George de la*

*Do come to see us - but lets  
us know ahead of time. P*
