MR. KENNEDY, despite contumacies on the part of your administration, the State Department, the Mayor of Dallas, the Dallas City Council, and members of your party, we free-thinking and America-thinking citizens of Dallas still have, through a Constitution largely ignored by you, the right to address our grievances, to question you, to disagree with you, and to criticize you.

Mr. Kennedy, despite contentions on the part of your administration, the State Department, the Mayor of Dallas, the Dallas City Council, and members of your party, we free-thinking and America-thinking citizens of Dallas still have, through a Constitution largely ignored by you, the right to address our grievances, to question you, to disagree with you, and to criticize you.

We assert this constitutional right, we wish to ask you publicly the following questions—indeed, questions of paramount importance and interest to all free peoples everywhere—which we trust you will answer... in public, without sophistry.

These questions are:

**Why** is Latin America turning either anti-American or Communist, or both, despite increased U.S. foreign aid, State Department policy, and your own press conferences?

**Why** do you say we have built a “wall of freedom” around Cuba when there is no freedom in Cuba today? Because of your policy, thousands of Cubans have been imprisoned, are starving and being persecuted—with thousands already murdered and thousands more awaiting execution and, in addition, the entire population of almost 7,000,000 Cubans are living in slavery.

**Why** have you approved the sale of wheat and corn to our enemies when you know the Communist soldiers “travel on their stomachs”, just as our soldiers do? Communist soldiers are daily wounding and killing American soldiers in South Vietnam.

**Why** did you host, salute, and entertain Tito—Moscow’s Trojan Horse—just a short time after our sworn enemy, Khrushchev, embraced the Yugoslav dictator as a great hero and leader of Communism?

**Why** have you urged greater aid, comfort, recognition, and understanding for Yugoslavia, Poland, Hungary, and other Communist countries, while turning your back on the pleas of Hungarian, East German, Cuban and other anti-Communist freedom fighters?

**Why** did Cambodia kick the U.S. out of its country after we poured nearly 400 Million Dollars of aid into its ultra-leftist government?

**Why** has Gus Hall, head of the U.S. Communist Party praised almost every one of your policies and announced that the party will endorse and support your re-election in 1964?

**Why** have you banned the showing at U.S. military bases of the film “Operation Abolition”, the movie by the House Committee on Un-American Activities exposing Communism in America?

**Why** have you ordered or permitted your brother Bobby, the Attorney General, to go soft on Communists, fellow-travelers, and ultra-leftists in America, while permitting him to persecute loyal Americans who criticize your administration, your leadership?

**Why** are you in favor of the U.S. continuing to give economic aid to Argentina, in spite of the fact that Argentina has just seized almost 400 Million Dollars of American private property?

**Why** has the Foreign Policy of the United States degenerated to the point that the C.I.A. is arranging coups and having staunch anti-Communist Allies of the U.S. blandly exterminated.

**Why** have you scrapped the Monroe Doctrine in favor of the “Spirit of Moscow”?

Mr. Kennedy, as citizens of these United States of America, we DEMAND answers to these questions, and we want them NOW.
