

Mr. Wilcox:

This statement refers to a portion of Mr. Hamblen's written statement dated Dec. 2 in which Mr. Hamblen stated that he recalls I had trouble paying a money order to a man named Oswald several weeks ago because the payee did not have proper identification; that Oswald was informed to get some identification and return and he would be paid; that he did return about an hour later with a Navy identification card and a library card and was paid a small sum of money.

I do recall relieving Mr. Archie Rowell on Tuesday, Oct. 29, on the early night money order position, while Mr. Rowell was relieving Mrs. Bedwell during the last week of her vacation. As I recall, I did have difficulty paying a small money order to a man, who struck me as being a "feminine type" person, however, I cannot remember his name. The reason I happen to recall the incident out of the great number of money orders paid by me at the front counter is because he gave me so much trouble regarding such a small money order. While I do not remember the name of the payee, I do recall it was delivered to some one at the Y.M.C.A. on North Ervay Street. I also recall the payee of the money order in question was accompanied by another man of Spanish descent.
