TO: American Embassy, Moscow
July 15, 1961

Dear Sirs,

As per instructions I am writing to inform you of the process and progress of our visas.

We have approved the local "OVERSEAS" office and the results are not discouraging. However there have been some unusual and crude attempts on my wife at her place of work. While we were still in Moscow, the foreman at her place of work was notified that she and I went into the Embassy for the purpose of visas. Then there followed the usual, "energy of the people" meeting, in which in her absence, she was censored and her friends at work warned against speaking with her. However, these tactics are quite useless, and my wife stood up well, without getting into trouble.

We are continuing the process and will keep you informed as to the overall picture.

Sincerely yours,
Lee H. Oswald
