1Date 11/26/63

Mr. ALBERT DUNN, 154 North Arnaz Drive, Beverly Hills, California, advised that he grew up in the same neighborhood in Chicago with JACK RUBY and that years ago, he lived with RUBY in the San Francisco area for almost two years. He stated he considered RUBY a very lovable guy but that he is quick tempered and he does have certain peculiarities. For example, when DUNN would sleep late in the morning, he was awakened by RUBY on several occasions for sleeping with his mouth open and being accused of spreading germs throughout the apartment.

DUNN stated that it is his recollection that RUBY's mother was approximately "75 per cent insane." He stated as a young woman, she was in and out of mental institutions. He stated that RUBY's father was a heavy drinker and that as a result, RUBY was raised in a very poor environment and actually lived in a private home away from his own home. DUNN stated it is his recollection that the social service of Chicago financed JACK RUBY's living away from his home.
