LEE HARVEY OSWALD

The following information is set forth in connection with a request of Mr. W. J. Liebelser of the President's Commission, with respect to the determination as to when the interview with Mr. Dial D. Ryder, Irving Sport Shop, Irving, Texas, occurred with relation to publicity concerning Ryder having a repair ticket for an individual by the name of Oswald.

On November 25, 1963, Mr. Dial D. Ryder, 2028 Harvard, Irving, Texas, employed as service manager, Irving Sport Shop, Irving, Texas, viewed a photograph of the gun used to assassinate President Kennedy, after which he stated he did not sell the mount on that gun as that is not the type of mount handled by the Irving Sport Shop and he did not recall the gun.

Mr. Ryder located Irving Sport Shop repair tag number 18374, which is undated and contains the name "Oswald" as the owner of the gun being repaired. The tag reflects the work as being "drill and tap \$4.50" and "bore sight \$1.50" for a total of \$6.00. The tag contains no additional information, is prepared in pencil, is not dated and Mr. Ryder stated this is the only record in existence of this transaction. Ryder said the tag was prepared by himself. He pointed out that as there is no record of sale of mounts or other items this would reflect that customer Oswald brought in the gun, scope and mounts with only work being performed which was drill and tap and bore sight. Mr. Ryder stated that the work for Oswald was performed between November 1 and 14, 1963, and the only other person employed in the store during that period was Carol Berry, a clerk who resided at 2302 Druid Drive, Irving, Texas.

Mr. Ryder stated he has no recollection of mounting a side mount of the type on the gun used to assassinate President Kennedy but pointed out that during the past few weeks he had attached a tremendous number of scopes; therefore, it is possible he did mount this scope and does not have any recollection of it at this time.

LEE HARVEY OSWALD

Mr. Ryder viewed a photograph of Lee Harvey Oswald, taken August 9, 1963, after which he stated that he cannot be positive that Oswald has been a customer in the Irving Sport Shop but is quite sure that he has seen and/or talked to Oswald probably in the store. He stated he associates Oswald's picture with that of an individual who brought in an Argentine made rifle about two weeks ago and he, Ryder, attached a scope on that gun. He pointed out that an Argentine rifle of the type he has in mind has a different bolt assembly than does the gun used to assassinate President KENNEDY; therefore, he cannot be definitely sure that the person he has in mind is identical with Lee Harvey Oswald.

The results of this interview are reflected on page 395 of the report of Special Agent Robert P. Gemberling, at Dallas, dated November 30, 1963.

A review of newspaper clippings pertaining to the assassination of President Kennedy reflects that the "Dallas Times Herald" issue of November 28, 1963, carried an article captioned "Oswald's gun sight mounted in Irving", which newspaper article indicates that Dial D. Ryder had told a newspaper reporter information similar to that reflected in his interview above.

On December 18, 1963, Mr. Dial D. Ryder was again interviewed. Mr. Ryder stated he has Irving Sport Shop Repair Tag No. 18374 which is undated and contains the name "Oswald" as owner of the gun to be repaired under that particular repair tag. He stated he has no specific recollection as to the customer whose gun was repaired under that particular repair ticket and cannot state that the customer was or was not Lee Harvey Oswald and said he cannot be positive Oswald has been a customer in the sport shop but is quite sure that he has seen and/or talked to Oswald probably in the store. He said repair ticket number 18374 was utilized sometime between November 1 and November 14, 1963, but he has no recollection of the customer being accompanied by a woman and two small children. He said he does not associate the customer with any automobile as he is usually in the workshop that is located in the rear of the store; therefore, he seldom sees the customers arrive and depart. He said he cannot recall the individual whom he believes was Oswald driving any type of car and does not associate him in any way with a blue and white 1956 or 1957 Ford or Plymouth.

The results of this interview are reflected on page 66 of the report of Special Agent Robert P. Gemberling, at Dallas, dated December 23, 1963.

LEE HARVEY OSWALD

By letter dated April 28, 1964, the President's Commission requested additional investigation to resolve certain information previously furnished by Mr. DIAL D. RYDER, employee, Irving Sports Shop, 221 East Irving Boulevard, Irving, Texas, with respect to a repair tag that purports to reflect work done on a firearm, which repair tag bore the name "OSWALD".

At 6:30 P.M. on November 24, 1963, an anonymous male caller telephonically advised a Special Agent of the Federal Bureau of Investigation at Dallas, Texas, that at about 5:30 P.M. he learned from an unidentified sack boy at Wyatt's Supermarket, Plymouth Park Shopping Center, Irving, Texas, that LEE HARVEY OSWALD, on Thursday, November 21, 1963, had his rifle sighted at the Irving Sports Shop, 221 East Irving Boulevard, Irving, Texas. He said he could furnish no further details concerning this matter and does not know if it is true or how the boy found out this information.

The above anonymous male caller sounded as if he were a normal, stable individual, but said he did not desire to identify himself.

On November 25, 1963, a Special Agent of the Dallas Office of the Federal Bureau of Investigation proceeded to Irving, Texas, and found the Irving Sports Shop was closed. Neighborhood inquiry revealed that the owner of the Irving Sports Shop was a WOODROW GREENER, who was reportedly then visiting at an unknown address in East Texas. In GREENER's absence, an employee, DIAL D. RYDER, 2028 Harvard, Irving,
