

FEDERAL BUREAU OF INVESTIGATION

1 Commission Exhibit No. 1468 Date 11/26/63

Mrs. JEAN RASH, 5734 Old Ox Road, Dallas, Texas, advised that she had worked for JACK RUBY as a waitress for approximately three years, from 1954 to 1957. She stated that this employment was at the Vegas Club, which to her knowledge was owned by JACK RUBY. She stated that she recalled RUBY as a very kind man but a person who became angry when anyone acted up in the club or did anything which might cause him difficulty with local authorities.

She said that RUBY was engaged to a woman by the name of ALICE (LNU), who had a teen-age daughter. She said he had gone so far as to give ALICE an engagement ring, and to her knowledge this was the only woman RUBY was ever really closely associated with.

She said she had never known RUBY to carry a gun, nor had she ever seen him with a gun in his possession. She described RUBY as an individual who always wanted people around him and gave the impression he was an individual who felt insecure. She said that if he liked people he would open the doors of the club to them and furnish them with everything on the house.

She recalled that he and his sister, EVA GRANT, and brother, SAM, were very emotional and high-strung people. Although very close to each other, they would often shout at each other and give the impression they were on the verge of a knock-down drag-out fight. Apparently, however, such emotional scenes which often took place in her presence would die down as soon as they had started, and the impression she gained was that there was not anything that they would not do for each other.

She said RUBY had never made any comments concerning politics in her presence, nor had he ever expressed an opinion as to the function of Government. She never knew of his having been associated with any police characters but had seen him refuse many characters with police records from gaining admission to the club. Although these individuals would beg for entrance into the club, once RUBY had made up his mind he stood firm and was seemingly afraid of no one.

Mrs. RASH said RUBY impressed her as a person who wanted to be associated with the most important and socially prominent individuals. Seemingly, this made him appear more important in the eyes of those who knew him and whom he considered to be his friends. He is a very energetic type of person who was continuously keeping busy. She said she never saw RUBY take a drink, smoke or use profanity during the time she worked for him at the Vegas Club. She stated that this was the only time she had a chance to observe RUBY.

She advised that to her personal knowledge RUBY often carried large sums of money with him. She said she would take the proceeds from the Vegas Club to him; however, she did not know what he did with the total sum of money, whether he banked it, retained it on the premises or kept the money on his person.

She observed the action of JACK RUBY in shooting LEE HARVEY OSWALD in her opinion was out of character for RUBY. She said her impression of RUBY was that he was a kind person, this being deepened in her mind through the fact that he kept a number of stray cats and dogs at his place at the Vegas Club and made sure that the animals were always well provided for. He is a person who in her opinion loves people and especially people with children. The only explanation she was able to find in her own mind was that the shooting could have been for publicity alone.
