Upon return of the reporting agent to his hotel, a message was received to telephone Mr. Martin at his residence. An effort was made to talk to Mr. Martin but Dr. James Johnson advised that Mr. Martin was not in, that he was conferring with his lawyer and that he wanted to talk to the reporting agent about newspaper reporters who are requesting a personal interview with Marina Oswald. At the time of placing the call to the Martin residence, Inspector Tom Kelley was in the room and the above information was related to him. Inspector Kelley telephoned the reporting agent to tell him not to agree on any conferences between Marina Oswald and the newspapermen, or any other people, until such conferences will be approved by either this Service or by the FBI. Later, when Mr. Martin telephoned the reporting agent at his room concerning the matter, he was advised of Inspector Kelley's request and he said that he would try to convince the newspapermen to postpone the interview until he would allow it.

On December 5, 1963, CA Seals made inquiry at the Crozier Technical School, 2302 Bryan Street, Dallas, Texas. This was done in an effort to determine if Lee H. Oswald had ever attended this school. Mr. Troy C. Bond, Principal, produced a registration form which reflected that Lee H. Oswald registered here on January 20, 1963.

The application form further reflected that Oswald took a typing course; that he attended classes each week from 6:15 P.M. to 7:15 P.M. Mr. Bond stated that Oswald attended classes on Monday, Tuesday and Thursday of each week. The application form indicated that Oswald dropped out of school on April 9, 1963; however, Mr. Bond stated that he felt that Oswald had stopped attending classes prior to this date.

Mr. Bond stated that this registration card is the only existing record of Oswald's attendance at this school. He said that, since Oswald did not desire high school credit for the typing course, all the other records of his attendance were destroyed.

Mother Mr. Bond, Mrs. Gladys Yoakum, Oswald's typing teacher; and Mr. Juanita Richey, who registered Oswald, were able to recall him personally.

A copy of Oswald's registration card is attached to the original of this report.

Further information will be reported as developed.
This letter I did not destroy for the purpose of having evidence in case my husband in the event he will repeat the same thing. That was the main reason why I insisted for him to go to some other town, for example, in New Orleans. I did not report about this matter to the police in the absence of personal feeling toward my husband and also wanted to save my family.

Everything that I have wrote is the truth.
