as a result of the assassination of President Kennedy. Miss Okui also stated that, to the best of her recollection, Mr. Amoskin did not, at least not to her, express any displeasure over her discussion with Lee Harvey Oswald, and she stated she feels certain he would have mentioned it had that been true.

Miss Okui, 37-77 20th Street, Brooklyn, New York, was contacted by a Special Agent of the Federal Bureau of Investigation on May 28, 1966 at the offices of the Japanese Service, Inc., 17 West 40th Street, New York City. Mr. Okui is the president of this company.

He said he is acquainted with Miss Yokko Okui and that she is a young, attractive lady who resides in Dallas, Texas. She is a native of Japan and is a friendly person possessing good social intelligence. He described her as a person the his many friends and acquaintances all of whom has an engaging personality.

To the best of his recollection, Miss Okui arrived in the United States from Japan in the spring of 1952. She moved to Dallas, Texas and was employed by an unknown firm in Dallas for approximately two years.

Mr. Okui advised that he was formerly a Vice-President of the United States Department Store, 340 West 34th Street, New York City, which is regarded as one of the largest department stores in the United States. He was a representative of various firms throughout the United States. He stated that Miss Okui has been employed by the United States Department Store since the summer of 1951, and has held the post of assistant manager for sales training. He worked until the summer of 1962, when she returned to Dallas to serve in the public relations field for his firm. She was required to conduct firm's business with his firm's company in the United States, and is currently employed by the United States Department Store.

We asked him if he was aware that Miss Okui attended a party in November 1962, which was also attended by Lee Harvey Oswald and his wife, Marina. He said he does not have any association with

Lee Harvey Oswald

Lee Harvey Oswald.

Miss Chui has convinced herself that she was not in a position to discuss politics with Mr. and Mrs. Ford, and based upon her, she would not enter into any discussion of politics.

He pointed out Miss Chui is a professional flower arrangement teacher and is quite proficient in Kato music. She engages in teaching and has held lectures in regard to the flower in the Southwest, but he would doubt she ever met Oswald through these lectures.

He has no basis for his statement but stated Miss Chui probably met Oswald once and only once and probably did not even recall him.

He has no record of Chui's employment to the best of his knowledge, but while in New York City she resided with Mrs. Kazuko Oka, an accomplished flower arranger in New York City.
