Mr. LE BLANC stated he knew of no associate, friend or relative of LEE H. OSWALD and could furnish no information as to whether OSWALD owned a firearm. He did recall, however, that he had observed OSWALD looking at gun magazines maintained in the waiting room of the Crescent City Garage located next door to William B. Reily Company, Inc. He explained that employees of the Reily Company would go to the waiting room of the Crescent City Garage for soft drinks on their breaks and that someone in the garage apparently collected guns and maintained gun magazines on a coffee table which were available to employees. He stated he, however, had never discussed guns with OSWALD.

Mr. LE BLANC advised that the only other employee with whom OSWALD would have been in contact was ARTURO RODRIGUEZ, maintenance man.

Mr. ARTURO MENDEZ RODRIGUEZ, 323 Marais Street, Apartment U, New Orleans, Louisiana, voluntarily furnished the following information:

He stated that he recalled LEE OSWALD as a fellow employee at the William B. Reily Company, 640 Magazine Street. He stated that as best as he can recall, OSWALD worked there about three months and he recalled that OSWALD was working there when he, RODRIGUEZ, took his vacation in June, 1963.

He emphasized that he was never closely associated with OSWALD and that his only contact with him was when OSWALD started working for the Reily Company, in that he instructed him how to oil and clean the machines. He also stated that as far as he could tell, OSWALD was not friendly with any of the employees and he described OSWALD as a person who did not talk much, was very quiet and did not associate with any employees.

He stated that when the workers took a break, OSWALD always stayed by himself, sometimes went to the driveway and smoked a cigarette and sometimes sat in a chair and appeared to stare into space.

OSWALD never discussed his past and RODRIGUEZ knew nothing about his background. Shortly after he began working he did state that he had just gotten out of the military service and came to work for Reily Company. RODRIGUEZ stated that he did not know that OSWALD was married and did not know where he lived. RODRIGUEZ said that to the best of his knowledge, he did not believe that OSWALD had an automobile as he sometimes saw him come to work on a bus.

RODRIGUEZ advised that he has never received any mail from OSWALD and did not know where he went when he quit working for the Reily Company. He stated that he believed OSWALD did not quit his job voluntarily, but was asked to leave by the company. He informed he did not know anyone by the name of HEDEL.

The following description of ARTURO MENDEZ RODRIGUEZ was obtained by personal observation and questioning:
