LINNIE MAE RANDLE, 2439 West Fifth Street, Irving, Texas, telephone BL 3-8965, furnished the following information:

On the morning of November 22, 1963, at approximately 7:10 AM to 7:15 AM, LINNIE MAE RANDLE was standing at her sink in the kitchen looking out the window, when she saw LEE HARVEY OSWALD walking diagonally across Westbrook Street toward the back yard of her house. Westbrook Street borders her home on the west, and OSWALD was proceeding from Fifth Street diagonally across Westbrook in a northeasterly direction. She noticed that he was walking west, and he came across the street toward the carport which adjoins the kitchen. She opened the back door a slight bit to see what he was doing and saw him go to the far side of her brother's car, which was parked just north of the carport and headed in an easterly direction toward Westbrook Street. She noticed OSWALD opened the right rear door of the car, and presuming he was getting in the car, she turned back to the sink after hearing the car door shut. She then looked up out the window and saw him looking in the window at her from the outside. She was startled and somewhat irritated and called to her brother, BUELL WESLEY FRAZIER, that OSWALD was waiting to ride to work with him.

Mrs. RANDLE stated that at the time she saw OSWALD walking across the street, he was carrying a long package wrapped in brown paper or a brown sack in his right hand. It appeared to contain something heavy. She stated that it was long but did not touch the ground as he walked across the street.

She examined a replica of the sack made by Special Agents BARDWELL D. ODDUM and GIBSON E. MC NEELY on December 1, 1963, from 24-inch-wide brown wrapping paper with 4-inch gummed brown paper tape, from the Texas School Book Depository (TSBD) Building shipping room area at 411 Elm Street, Dallas. She stated that this was the same kind of paper that made up the sack or package that she saw OSWALD carrying and was the same heavy grade of paper, since she recalls noting that there
