STEVEN F. WILSON, Office Manager, Allyne and Bacon, Inc., 301 Texas School Book Depository Building, advised at approximately 12:30 p.m. on the afternoon of November 22, 1963, employees of his office had gone to view the Presidential Motorcade on the corner of Elm and Houston Streets, and due to a heart condition which he has had, he opened the blinds on the third floor opposite from his reception desk and viewed the Presidential Motorcade as it proceeded north on Houston Street and then west on Elm Street. Due to a large tree being in the way, he could not view the entire procession, but as his view became obstructed, he heard three distinct shots which he thought came from a rifle, and subsequently it was determined that the President had been shot.

WILSON advised he discovered later that the President had been shot, but he had not seen or heard anything unusual in the immediate area surrounding his office, and when questioned as to any knowledge he might have concerning LEE HARVEY OSWALD, he stated he did not know OSWALD and did not, in fact, subsequently remember seeing him in the Texas School Book Depository Building. However, he noted he could have possibly seen him on one or two occasions in the lunchroom located on the second floor of the building.

Mr. WILSON could offer no information of subsequent value in this matter.

Mr. JOHN J. SOLON, 4153 Beachwood Lane, was interviewed at his residence.

Mr. SOLON advised he is no longer in private law practice, but is employed as an attorney by the Texas Highway Department, at Mesquite, Texas.

Mr. SOLON advised that on November 22, 1963, he was in the Main Street entrance of the Old Courthouse, on the south side of Main Street, looking north toward the Dallas County Jail, when the Presidential motorcade passed by. Mr. SOLON advised he observed President JOHN FITZGERALD KENNEDY, Mrs. KENNEDY, and other officials in the Presidential car, which was moving at approximately 35-40 miles per hour. The Presidential car slowed down to turn north on Houston Street from Main, and a few moments later, he heard three shots which sounded as follows:

First shot; pause; two shots; then echoes of the shots.

Mr. SOLON advised he would judge that approximately five and one-half seconds was taken for all three shots.

Mr. SOLON advised he did not have any further specific information about the assassination of President JOHN FITZGERALD KENNEDY. Mr. SOLON advised that on December 10, 1963 he addressed a post card to the FBI. Mr. SOLON said these comments were merely an opinion of his and he had no idea that there was any information available concerning the date that the Presidential trip to Dallas was first planned; the date OSWALD obtained a job at the Texas School Book Depository; nor did he have any information or proof that the "Dallas Morning News" was the connecting link between these two facts.
