FEDERAL BUREAU OF INVESTIGATION

WASHINGTON 25, D. C.

March 16, 1964

LEE HARVEY OSWALD

A confidential source abroad who is thoroughly familiar with the workings of the Mexican Ministry of Gobernacion (Interior) has furnished the following information concerning the procedures utilized by the Mexican Immigration Service in connection with the entry and departure of non-Mexican citizens into and out of Mexico. It is to be noted that the Mexican Immigration Service is a part of the Mexican Ministry of Gobernacion.

Tourists usually enter Mexico on a Mexican tourist card. There are two types of such cards, one being called the FM-8 which is valid for a stay in the country of only fifteen days and one called the FM-5 which has a validity for 180 days' stay in Mexico. Both types of tourist cards are issued in duplicate. Both types are issued at Mexican Consulates throughout the world and can also be obtained from the Mexican Immigration Service at border ports of entry.

At the time of entry into Mexico the traveler surrenders the duplicate portion of the tourist card and both the duplicate and the original, which remains in possession of the traveler, are stamped with a rubber stamp which shows the name of the Mexican representative handling the entry, the date of the entry and the name of the port of entry.

When the traveler leaves Mexico he surrenders the original portion of the tourist card and it is stamped with a rubber stamp which carries the name of the Mexican representative, the date of the departure and the name of port of departure.

Each Mexican port of entry is required on a continuing basis to prepare a form called Form FM-11. This form is a recapitulation which covers non-Mexican citizens entering and departing Mexico as tourists. Entries and departures are maintained on separate lists of FM-11. The FM-11 for both entries and departures is prepared each "quincena" (fifteen-day period). Entries and departures are set up on the FM-11 in chronological order and thereafter, within each date, the names of the tourists are listed in alphabetical order. Basic information appearing on the FM-11 is taken from the tourist card presented by the traveler. At the time the FM-11 is prepared a number is placed on the tourist card, these numbers being in sequence according to the alphabetical order of the names within each date and thereafter by date. By way of example, the first traveler in alphabetical order entering at a port of entry on the first day of the month or a "quincena" is assigned number one. Thereafter all travelers entering that port on that date are assigned numbers in sequence according to alphabetical order. This sequence continues on the second day of the month and throughout the remaining days of the "quincena."

Investigation in instant case has disclosed that subject OSWALD entered Mexico at Nuevo Laredo, State of Tamaulipas, on September 26, 1963. OSWALD's entry into Mexico was handled by Mexican Immigration Service employee HELIO TUEKI MAYDON at Nuevo Laredo and his departure from Mexico at Nuevo Laredo on October 3, 1963, was handled by Mexican Immigration Service employee ALBERTO ARZAMENDI CHAPA.

This source made available for examination the forms FM-5 and FM-8 for all non-Mexican citizens entering Mexico at Nuevo Laredo as tourists on September 26, 1963, as well as the copies of forms FM-11 containing the recapitulation of the entries to Mexico at Nuevo Laredo on this date.

THE LEGAL ADVISER
DEPARTMENT OF STATE
WASHINGTON

May 28, 1964

It should be noted that in connection with cases involving travel of other Americans, it has been found not unusual for errors to be committed in connection with the entry shown on the form FM-11 for travelers entering Mexico. As pointed out above, the original of the tourist card is surrendered by the traveler at the time of departure from Mexico. This original shows the place of issuance of the tourist card and the principal error that has been noted is showing final destination as the place where the tourist card was originally issued. In other cases final destination is shown as the point from which the person was proceeding at the time he entered Mexico. Several specific cases have occurred in which airline passenger manifests clearly showed a final destination different from the place where the tourist card was issued; nevertheless, the form FM-11 showed a final destination of this latter place.

Dear Mr. Rankin:

I am enclosing a copy of a note and a confidential memorandum, dated May 14, 1964, from the Mexican Government of Foreign Affairs to the United States Embassy in Mexico City, sent in response to the United States note dated April 10, 1964. Also enclosed are two copies of a translation of the note and memorandum prepared by the Division of Language Services in the Department of State.

As you will see, the note states that the Mexican Government "understands that the enclosed confidential memorandum will not be published, either partially or in full, without the consent of the Government of Mexico."

Sincerely,

Abram Chayes
