He stated there was nothing in his medical history insofar as he knew which would reflect upon the recent action of RUBY, namely the assassination of LEE HARVEY OSWALD.

Dr. JACOBSON stated that RUBY told him a number of years ago that he had a "metal plate" in his head but JACOBSON stated he knew none of the details concerning this and was only reminded of this after reading the reports of RUBY's background in the local newspapers.

He stated RUBY appeared to be a very pleasant and congenial individual and insofar as he knew, honorable. Dr. JACOBSON stated he never noted anything impulsive about RUBY's personality and considered him very sentimental and sensitive, particularly concerning animals, as RUBY kept a number of dogs, which he seemed to love dearly. Dr. JACOBSON stated RUBY seemed to adore children and enjoyed associating with them very much.

Dr. JACOBSON stated that he knew of nothing "shady" about the endeavors of RUBY. He further stated that he had been in the night club operated by RUBY not more than an average of once a year, and the close acquaintances and associates of RUBY were unknown to Dr. JACOBSON. He heard RUBY say on a number of occasions he carried a gun because of the fact that he frequently maintained the proceeds from his business establishments on his person. He stated he last saw RUBY personally about September, 1963.

Dr. JACOBSON could recall no other discussion during the short telephonic conversation.

Dr. JACOBSON advised he did not recall hearing JACK RUBY ever relate his political views, and he could not recall RUBY speaking of former President KENNEDY in any manner.

Dr. JACOBSON advised he had seen EVE GRANT, the sister of JACK RUBY, on just a couple of occasions and did not know whether she was married or divorced. He stated the other relatives and the family history of JACK RUBY are unknown to him.

Dr. JACOBSON stated he would review his medical history records of JACK RUBY in an effort to determine additional facts concerning the medical history of JACK RUBY.
