COMMISSION EXHIBIT No. 2309—Continued

1

Date 6/12/64

Records of Southwestern Bell Telephone Company, Dallas, reflect a pay station at Phil's Delicatessen, 3531 Oak Lawn, Dallas, was assigned number LA 6-9425, as of October 20, 1963. The "agent" for the telephone is shown as Phil's, Inc., same address.

The coin box in connection with this telephone was emptied on November 26, 1963, at which time tabulation was made of the money as follows:

\$2.00 in quarters, \$53.90 in dimes, and \$6.90 in nickels

The toll charge to Arlington, Texas, is 25 cents, no tax.

Toll tickets involving long distance calls from a pay station, such as the one in question, are not maintained with the same precision as in the case of toll tickets made from ordinary telephones where calls are made "on credit." Tickets with regard to this pay station are mixed in with literally hundreds of other toll tickets involving other pay stations.

Four of the quarters taken from the coin box on November 26, 1963, were believed identified with a call to Omaha, Nebraska, not identifiable in any way with JACK L. RUBY or RALPH PAUL. A telephone company representative advised to check all of the toll tickets involved and to say with certainty a particular charge was identifiable with JACK L. RUBY or to say none was identified with him would require an enormous expenditure of man-hours.

Records concerning the above telephone can be obtained through issuance of a subpoena duces tecum directed to R. A. BURROW, Chief Special Agent, Southwestern Bell Telephone Company.
