Mr. WILLIAM RAY FULLER advised he resides at 410 Staffordshire, Dallas, Texas, and that he is known as "Bill," and owns a business known as "Bill's Decorating," which is located at 209 Martha at Euless, Texas.

Mr. FULLER said he observed two persons sighting in a rifle on a makeshift range located on Highway 183 at Belt Line near Irving, Texas, a day or two before the President was assassinated, and he said after President KENNEDY's assassination he telephoned LEON POWERS, Assistant Chief of Police, at Irving, Texas, on Saturday, November 23, 1963, to give him the information because he believed this makeshift range would be a good place to check to determine if LEE HARVEY OSWALD might have used the range to practice shooting. He said that he did not get close enough to these two individuals to get a good description of them but he recalled one of the individuals wore a tan cloth jacket and was bare headed, and after seeing OSWALD's photograph on TV and in the newspapers he felt there might be some slight resemblance. He said the other person appeared to be a young boy in his late teens but he paid no particular attention to either of these men. He did not observe whether they had a car and did not stop to look at them so he was unable to furnish any more definite information concerning these people.

Mr. FULLER said he had never known LEE HARVEY OSWALD or JACK RUBY at any time and had never actually seen either of them until the TV and news media produced photographs of them.
