could not remember where the student sat on the busses. He could not recall a description of the student.

He was asked specifically if he had realized, prior to this interview, that OSWALD, who allegedly assassinated President JOHN F. KENNEDY, was identical with the passenger whom he had seen on the bus during the trip. He stated that he had not. He advised that he cannot read or speak English; that he does not own a television set; and had not seen OSWALD on television or in magazines. He said that he saw OSWALD's photograph once in a newspaper. He admitted that he had not recognized the photograph in the newspaper of OSWALD as that of the passenger on the bus. He said that apparently it was not a good likeness. On the other hand, when shown the photograph of OSWALD reflecting three poses, he immediately recognized the photograph as identical with the passenger on the bus because he stated the photograph was "so lifelike".

He could not think of any other information regarding the activities of OSWALD while a passenger on the busses between Mexico City and San Antonio, Texas. He stated that he had never met OSWALD previously and had no contacts with or knowledge of OSWALD after the trip on October 2 - 3, 1963.
