JERRY ANTHONY BOLAND, also known as TONY, 2515 Hillburn Drive, Apartment C, whose name appeared in a list of JACK RUBY indicating former employment at one of RUBY's clubs, furnished the following information:

BOLAND stated that he has known RUBY since 1961, at which time he met him due to beginning employment with RUBY's sister, EVA GRANT, about October 1961 at the Vegas Club where he worked as bouncer and emcee and assisted Mrs. GRANT generally in running the club. It was his understanding that RUBY and his sister both owned the club, but it was in Mrs. GRANT's name. At the same time, RUBY owned the Carousel Club, which was a union club, and he understood that RUBY could not register a non-union club such as the Vegas Club in his name. He regularly saw RUBY at the Vegas Club on Friday nights and since that time he has maintained a regular and continuous acquaintance, both business and social, with RUBY. His employment at the Vegas Club on this occasion lasted until about April 1962.

In about November 1961 he began working for RUBY, in addition to his employment at the Vegas Club, at RUBY's Carousel Club as bouncer, doorman and overseeing the waitresses. This employment lasted until February 1962. During the fall of 1962 he resumed his employment at the Vegas Club and continued there until January 1963. About August 1963 he resumed his employment by RUBY at the Carousel Club and continued as such until about September 1963.

BOLAND stated that during the latter part of 1961 and January 1962, he stayed with RUBY at the Carousel Club, that is, he was furnished a rollaway bed by RUBY in the hall of this club and, at the same time, RUBY was residing in the back part of the club in a separate room. BOLAND stated that he had numerous occasions to converse with RUBY and feels that he became fairly well acquainted with RUBY's character, personality and disposition. He stated that he considers RUBY to be a friendly, helpful person in the event he likes someone, but he is also impetuous, high-strung and quick-tempered. BOLAND added that RUBY was also quick to return to normal and forget his differences with anyone with whom he became angry.
