Texas, where he was interviewed by HARRY SANDERSON. He appeared at this same address October 10, 1963 where he was interviewed by MC CLUSKEY. Mr. MILLER made this identification of the persons whom OSWALD contacted through initials appearing opposite the contact date on the claim record card.

Mr. MILLER further advised that the unemployment benefits of OSWALD were terminated with the claim which he submitted on October 3, 1963 and that no further benefits were payable or were paid to him.

MILLER advised that he has no record of the exact amount of the check paid on each claim period to OSWALD, and that this record could be located only in Austin, Texas, at the state headquarters of TEC.

DOUGLAS JONES, Jones Printing Company, 422 Girod, advised after viewing the photograph of LEE OSWALD, that although he could not positively be sure, he said he did not believe the person ordering the printing of the handbills relating to Cuba last May 29th was OSWALD. He said to the best of his recollection the man ordering the handbills was a husky type person, on the order of a laborer. He said he remembered the person ordering the handbills did not have a Cuban accent and did not look like a Cuban to him and he therefore wondered why this person would be involved with the Cubans. He again stated that he could not positively say the person ordering the handbills was not OSWALD but he did not think it was. JONES said he could not furnish any other identifying data concerning the person ordering the handbills.
