GLADYS YOAKUM, 2234 Carnes, Whitehall 8-9822, teacher at Public Evening School, Crozier Tech High School, 2218 Ryan, advised that LEE H. OSWALD attended her typing class from January 28, 1963, until she dropped him from the rolls on April 8, 1963. She said that the class was an hour in length, from 6:15 P. M. to 7:15 P. M., on Mondays, Tuesdays and Thursdays, and they have a policy of four absences before they drop an individual from the rolls. She advised that this being the case, the last day OSWALD would have attended her class would have been March 28, 1963. She advised that Secret Service Agents had interviewed her this morning in an effort to find attendance records for OSWALD but evidently the school had thrown all the previous records away.

Miss YOAKUM advised that OSWALD was not outstanding or unusual in any way but his clothing and appearance was that of an unkempt person. She particularly noticed he always came to class with dirty fingernails. She remarked that a typing teacher would notice this. She recalled that he did not attend class regularly and he had no associates in the class of twenty-five (25) or thirty (30).

Miss YOAKUM further advised she searched her records at home but could not locate anything connected with the typing class that OSWALD attended.
