

Date 3/18/64

The above information was made known to Inspector Kelley by means of long distance telephone call on May 3, 1964.

After speaking with Inspector Kelley the reporting agent recontacted Rogelio Cisneros by telephone and the name of Juan Martin was mentioned to him. Cisneros spontaneously exclaimed that Juan Martin was the name of the Uruguyan who had been introduced to him by Sylvia Odio. This was confirmed by Francisco Gutierrez.

Cisneros then related that Juan Martin operates a well established wash yourself laundry believed to be known as "Dixie", located near one of the biggest or principal bowling alleys in Dallas, situated on one of the main streets. He stated he had made only one contact with Juan Martin at the laundry and, although he was not familiar with Dallas, the location of the laundry was clarified for him by Francisco Gutierrez, who was more familiar with the City of Dallas.

(J) CONCLUSION:

Unless otherwise directed, the investigation of this matter at Miami is considered closed.

On March 15, 1964, FLOYD DAVIS of the Sports Dome Gun Range, 8000 West Davis, Dallas, Texas, advised night clerk PAUL E. STONE, Dallas FBI Office, that the previous information he had furnished reporting a bearded man in some way associated with a man DAVIS believed was OSWALD at the Sports Dome Gun Range was sighted yesterday or today driving a 1961 or 1962 red and white Chevrolet Impala, bearing Texas License No. FW 2958.

On March 16, 1964, the Dallas County Motor Vehicle Registration Office records reflected that 1963 Texas License FW 2958 is listed to a 1962 Chevrolet, four door, which is registered to Southern Lead Rolling Company, 2823 North Westmoreland, Dallas.

MICHAEL BENTLEY MURPH, residence 1139 Plymouth Road, Telephone No. WH 6-8514, was interviewed at his place of employment, Southern Lead Rolling Company, 2823 North Westmoreland, Telephone No. FE 13241, at which time he furnished the following information:

On a Sunday, either November 3, 1963, or November 10, 1963, about one and one-half hours before sunset, he went alone to the Sports Dome Gun Range at 8000 West Davis, Dallas, in the 1962 white over red, four-door Chevrolet, bearing 1963 Texas License FW 2958, which vehicle is registered to his employer, Southern Lead Rolling Company, to test fire two Remington rifles.

One rifle was a Model 721, .300 Super, Holland and Holland, and the other a U. S. Rifle, .30 calibre, M 1903A3. Neither rifle had a scope, only open sights.

He did his target practice in about the third position from the west end of the firing point. As he remembers, the position number was 7 or 8. The best he can remember is that there was a white male and white female firing together at the west end of the firing point. On the east of his position were some six or eight other individuals and possibly two or three others on the gun range. He was not acquainted with anyone who was at the range that day and could not recall well those who were there. He believes he was the only lone individual and all others were in groups of various sizes. Upon viewing the photograph of LEE HARVEY OSWALD, Dallas Police Department No. 54018, taken November 23, 1963, he advised OSWALD is unknown to him other than through the news media since the assassination of President KENNEDY. He does not recall seeing anyone at the Sports Dome Gun Range resembling LEE HARVEY OSWALD. He does not recall anyone shooting a rifle with a scope and believes most everyone else at the range was shooting .22 calibre rifles. He spoke only briefly with the persons on his left and right and this limited conversation was in regard to clearing firing points so everyone could go forward and examine their targets.

He reloads his own ammunition which he generally places in cardboard cartons. He does not believe he carried his ammunition loose in a cap or piece of cloth when at the range at the above time.
