

Office of the Attorney General  
Washington, D.C.

August 4, 1964

Honorable Earl Warren  
Chief Justice of the United States  
The Supreme Court  
Washington, D. C. 20543

Dear Mr. Chief Justice:

In response to your letter of June 11, 1964, I would like to assure you that all information relating in any way to the assassination of President John F. Kennedy in the possession of the Department of Justice has been referred to the President's Commission for appropriate review and investigation.

As you know, I am personally not aware of the detailed results of the extensive investigation in this matter which has been conducted by the Federal Bureau of Investigation. I have, however, received periodic reports about the work of the Commission from you, Deputy Attorney General Katzenbach and Mr. Willens of the Department of Justice, who has worked with the Commission for the past several months. Based on these reports, I am confident that every effort is being made by the President's Commission to fulfill the objectives of Executive Order No. 11130 by conducting a thorough investigation into all the facts relating to the assassination.

In response to your specific inquiry, I would like to state definitely that I know of no credible evidence to support the allegations that the assassination of President Kennedy was caused by a domestic or foreign conspiracy. I have no suggestions to make at this time regarding any additional investigation which should be undertaken by the Commission prior to the publication of its report. In the event that the members of the Commission believe that I can contribute in any way to the investigation by appearing as a witness, I will be available to do so at your convenience.

Sincerely,

Attorney General
